Who Is Eligible to Apply

Member Life Insurance—All members of the State Bar of Texas.

Employee Life Insurance—All full-time employees (30 hours or more per week) of an “Eligible Employer Unit”. An “Eligible Employer Unit” is a sole proprietorship, partnership or corporation engaged primarily in the practice of law with at least one full-time employee who is not a member of the State Bar of Texas.

Eligible Dependents—Spouse/Domestic Partner and unmarried children less than 25 years old. Your children include legally adopted children, stepchildren, foster children and grandchildren. Grandchildren must be claimed as a dependent for federal income tax purposes at the time they are enrolled.

Health Requirements

Each individual will be required to submit evidence of good health satisfactory to Prudential for himself and his dependents in order to become insured or increase existing coverage. A physical examination may be required.

Effective Date of Coverage

Initial coverage will become effective on the date the application is approved by Prudential.

Optional changes in coverage may be made by making written request. If the change results in an increase in coverage, satisfactory evidence of good health will be required. A physical examination may be required. The change will be effective on the quarterly premium due date coinciding with or next following the date of approval of the application by Prudential.

Should an attorney/employee not be working full time on the effective date of initial coverage or increased coverage, the insurance will be delayed for himself and his dependents until he returns to full-time work. Additionally, a dependent who is confined for medical care or treatment in any institution or at home when coverage would normally commence, will not be covered until given a final release by the doctor from all such confinement.

Termination of Coverage

The insurance of an individual attorney/employee and dependents will terminate if he ceases to be eligible, enters military service, discontinues the required contributions, or if the Group Insurance Plan is discontinued. An individual dependent's insurance will also terminate if he ceases to be an eligible dependent.

Retirement—Coverage may be continued for a retired attorney/employee and his eligible dependents.

Death of Attorney or Employee—Dependent Life coverage may be continued for the surviving spouse/domestic partner and all eligible dependent children then insured. Such coverage may be continued until the spouse/domestic partner remarries or coverage would otherwise terminate as stated above.
